Good Morning,

Mr. Jones would like his comments added to the Docket.

Thanks,

Afton

Subject: [External] docket 2020-229-E

Hello,

As a Dominion Energy customer, I wanted to write in opposition to Dominion's proposal to raise fees on solar energy customers. From what I have seen in the proposal, it adds discriminatory fees that non-solar customers don't have to pay and it disincentivizes alternative clean energy. It penalizes those early adopters who believe in solar and other types of energy to complement traditional electricity sources. Please reject the proposal.

Regards,

Eric Jones
